INTRODUCTION

This volume is one of a set of three in which September 1986 enrolment by school and grade is reported within board, within county, district, regional or district municipality, and within education region. There is one volume for public elementary schools, one for Roman Catholic elementary schools, and one for secondary schools (Public and Roman Catholic).

This volume has two parts: Public Secondary School Enrolment and Roman Catholic Secondary School Enrolment. In the school year 1986-87, public funding was extended to grade 12 in Roman Catholic schools. In the school year 1987-88, publicly supported Roman Catholic schools will offer full secondary school education.

In this publication, enrolment is reported within the county or district in which a school is situated. A list of the boards that straddle county and/or region boundaries is given below. To obtain a board total, it is necessary to combine the entries for each municipality in which the board is located.

Le présent document fait partie d'une série de trois volumes dans lesquels l'effectif scolaire de septembre 1986 par école et par année d'études est publié par conseil scolaire, comté, district, municipalité régionale ou de district, et région. Un volume est consacré aux écoles élémentaires publiques, un autre aux écoles élémentaires catholiques et un dernier, finalement, aux écoles secondaires (publiques et catholiques).

Ce volume sera divisé en deux parties: Effectif des écoles secondaires publiques et Effectif des écoles secondaires catholiques. Pour l'année scolaire 1985-1986, les fonds publics serviront à financer l'enseignement secondaire dispensé dans les écoles catholiques jusqu'à la 12ième année inclusivement. Dans l'année d'école 1987-1988 les écoles catholiques financées par les fonds publics offriront un enseignement secondaire complet.

L'effectif est présenté dans le document en fonction du comté ou du district où se situe une école. Une liste des conseils scolaires qui chevauchent les limites de comtés ou de régions est donnée ci-dessous. Pour calculer l'effectif total d'un conseil scolaire, il suffit de combiner l'effectif de chaque municipalité où le conseil a des écoles.
